# ABOUT US

WE ARE A LIGHTING DESIGN STUDIO WITH OFFICES IN NEW YORK AND TEL AVIV, WORKING ON PROJECTS ACROSS THE U.S., ISRAEL, AND INTERNATIONALLY. WE SEE LIGHTING AS FAR MORE THAN ILLUMINATION IT'S HOW WE SHAPE ATMOSPHERE, GUIDE EXPERIENCE, AND DEFINE THE CHARACTER OF A SPACE.

OUR STUDIO SPECIALIZES IN ARCHITECTURAL LIGHTING DESIGN FOR HOTELS, RESTAURANTS, RESIDENTIAL BUILDINGS, BUILDING LOBBIES, GARDENS, AND COMMERCIAL PROPERTIES. WHETHER IT'S FLIPPING AN ENTIRE HOTEL CONCEPT WITH LIGHT OR ADDING WARMTH AND IDENTITY TO A NEW LOBBY OR RESTAURANT, WE DESIGN WITH BOTH FUNCTION AND FEELING IN MIND. EVERY PROJECT RECEIVES A CUSTOM LIGHTING CONCEPT THAT RESPONDS TO ITS ARCHITECTURE, PURPOSE, AND AUDIENCE.

DRAWING INSPIRATION FROM NIGHTLIFE, HOSPITALITY, AND URBAN SPACES, OUR WORK BLENDS CREATIVITY, TECHNICAL EXPERTISE, AND STORYTELLING. WE COLLABORATE CLOSELY WITH ARCHITECTS, DEVELOPERS, AND CLIENTS FROM CONCEPT AND RENDERINGS TO FIXTURE SELECTION, LIGHTING CONTROL, AND FINAL EXECUTION TO BRING EVERY VISION TO LIFE THROUGH LIGHT.
